A Year in Review

We have all faced challenges because of these exceptional times, but there have been many bright spots and good news within our Partnership over the past year, and we want to share a few of these stories with all of you.

Annual Recognition Event

River East School-to-Career Partnership hosted our annual event to acknowledge students and businesses participating in Work-Based Learning and School-to-Career activities. While the COVID-19 pandemic kept us from celebrating in person, we applauded and recognized some special people.

Scholarship Awards

At our Recognition event, we also presented the Scholarships for Career Development to six very deserving students.

Annual Board of Directors Meeting

Our Annual Board of Directors Meeting was where our members reflected on the past year and made plans and preparation for the future.

It was also an opportunity to thank our Board of Directors and their commitment to our Partnership. We also expressed our gratitude to our school district members and their dedication to the students and for all they have accomplished despite the uncertainties brought on by the pandemic.

Ware Junior-Senior High School receives innovation Pathways Designation in Advanced Manufacturing

Ware High School is one of 18 high schools launching a new program known as Innovation Pathways that will connect students' learning to a career pathway by providing Work-Based Learning experiences with rigorous technical coursework.

These early-career programs will provide high school students with a coherent course of study focused on a particular field. It will also offer them access to college-level courses and internship opportunities to gain work experience and insight into whether the field is something they would like to pursue in college or a career after high school.
